

UNIVERSITY

UAC Digital / Let's Chat – Alternative pathways to university

14 October. 6pm

Pathway courses are for applicants who don't meet the minimum requirements for entry into a bachelor degree.

Learn about certificate, diploma and preparation courses.

In this session we'll be joined by a panel of admissions experts from various universities. We'll discuss:

- pathways you can take if you don't meet your dream course's selection criteria
- the benefits of taking a pathway course
- pathway course credits you can receive if you want to get into an undergraduate degree
- which unis offer pathway courses.

<https://uacdigital.easywebinar.live/pathways-51>

UAC webinar: Applying for the Educational Access Scheme

3 Nov 2021. 6pm

The Educational Access Scheme can help students who have experienced long-term disadvantage get to university.

We'll show you how to apply, run through the application deadlines and give answers to the most commonly asked questions.

<https://uacdigital.easywebinar.live/eas>

UAC webinar: The Schools Recommendation Scheme, Course Preferences and Offers

10 Nov 2021. 6pm

Applied for the Schools Recommendation Scheme? Learn about key dates, listing course preferences and what to do once you receive an offer.

<https://uacdigital.easywebinar.live/srsupdate>

UAC webinar: ATAR Release, Preferences and Offers

1 Dec 2021. 6pm

We'll discuss how to manage course preferences to maximise your chances of an offer once you've received your ATAR, explain offer rounds and how to defer your offer, and give answers to the most commonly asked questions.

<https://uacdigital.easywebinar.live/atarrelease>

Main Dates Coming Up

- SRS first offers released – 12 November
- ATARs for NSW HSC students will now be released at 9am on Thursday 20 January 2022.
- ATARs for ACT Year 12 students will now be released at 9am on Thursday 20 January 2022.
- January Round 2 will now be the first ATAR-based offer round. The deadline for changing preferences for January Round 2 will be midnight on Friday 21 January 2022.
- HSC results released by NESA – 24 January 2022
- January Round 2 offers will be released at 7.30am on Wednesday 26 January 2022.

Changes to other UAC dates will be confirmed as soon as possible, as will the arrangements for ACT ATARs.

Information for NSW and ACT students applying interstate, and interstate students applying to NSW and ACT universities, will also follow.

Educational Access Schemes

EAS application and document deadline for January Round 2 will be midnight Friday 17 December 2021.

EAS eligibility letters will be released progressively from Friday 21 January 2022 to all applicants with finalised assessment for January Round 2.

Stay up to date with the latest information:

[NSW Education Standards Authority updates](#) about measures they are taking for Year 11 and 12 students.

[ACT Board of Senior Secondary Studies COVID-19 updates](#).

[UAC COVID-19 update](#)

Extension of EAS to include additional COVID-19 payments

The Educational Access Scheme (EAS) will be extended to include applicants in Year 12 whose parent/s and/or guardian/s have received the COVID-19 Disaster Payment, JobSaver payments or Pandemic Leave Disaster Payment (to care for a COVID-19 positive person) for a period of 3 months or more.

We encourage applicants to apply and upload documents to support these additional disadvantages under the category of Financial hardship, code FO1K. The wording in the application will be updated shortly.

[Documents required are here.](#)

UAC PIN Reminder

All 2021 NSW HSC and ACT Year 12 applicants have had their UAC PIN emailed to them. For students who have not yet applied through UAC, we'll be sending a PIN reminder email on Thursday 23 September.

If students are having problems logging in to the UAC application, the quickest and easiest way for them to get help is to call UAC Customer Service on (02) 9752 0200, 8.30am to 4.30pm Monday to Friday. We don't reply to email requests for login details as we need to identify the sender before giving out this information.

ANU Your future, our focus: Crawford School of Public Policy Graduate Pathways

Program Information Webinar Week 11 – 14 Oct 2021

Come along and gain a deeper understanding of the graduate pathways designed to lead our students to their career goals. available to students at Crawford School. No matter who you are and where you are, you can share your career goals and aspirations at these interactive talks with our department heads and experts.

The ANU Crawford School of Public Policy is hosting a series of online information sessions to provide an overview of our graduate programs and answer any questions you may have about studying with us.

[Click here for all the information.](#)

Wednesday 27 October 4-4.45pm

Join us at this webinar to learn about our facilitated pathways into the Doctor of Medicine including into the new

Dubbo stream starting in 2022, into the Doctor of Dental Medicine and into the Bachelor of Oral Health. You can apply to any of our medicine and health degrees through the University of Sydney Gadigal program.

https://uni-sydney.zoom.us/webinar/register/WN_8IWldzerTjy_MHJVfT212Q

University of Sydney - Dual Degree with Sciences Po Closing Dates

Sunday 31 October

Travel abroad, immerse yourself in French culture, learn a new language and complete a dual degree. The closing date for Round 1 for students to apply directly to the University of Sydney for this course is Sunday the 31st October (recommended for Domestic Students).

<https://www.sydney.edu.au/courses/courses/uc/bachelor-of-arts-dual-degree-sciences-po-france0.html>

The University of Sydney Elite Athletes and Performers and Future Leaders Schemes closing

Closes 29 October 2021

If you are an athlete or performer and your rehearsal, training or competitive commitments have significantly impacted your Year 12 studies, this scheme allows you to receive adjustment factors to increase your selection rank when applying to the University.

<https://www.sydney.edu.au/study/how-to-apply/undergraduate/admission-pathways.html>

University of Sydney - Dissecting Science Student Panel

3 November, 2021 4:00 PM

There's more than one path or career that you can pursue in Science. Join us to learn more about how you can pursue your passion in Science, which degree would work best for you and what requirements are needed. You will be able to ask questions to our panel of academics and staff.

https://uni-sydney.zoom.us/webinar/register/WN_rcvgkoTNQDeAuvAo4Aa0wA

Get a one-to-one consult with a friendly Charles Sturt adviser.

Book a 45-minute consult to get all your questions about uni answered. Discover the courses that will get you into the career you're looking for, and learn how easy it is to apply to Charles Sturt University.

<https://study.csu.edu.au/contact-us/consult>

CQ University's Principal's Recommendation Scheme - Apply directly to CQ University

Closes 1 December 2021

To apply via the Principal's Recommendation Scheme, you will need to apply for the course you are interested in directly with CQUniversity via our [online application portal](#).

Make sure you upload your school Principal's recommendation letter with your application as your application cannot be progressed without it.

To help you with your application, view our [instructions](#) on how to apply.

Our Principal's Recommendation Scheme is an early offer scheme that allows Year 12 students to apply to an undergraduate CQUniversity course based on the recommendation of their high school Principal rather than ATAR. Open to all Year 12 students, the Scheme is designed to assist capable students to access entry to CQUniversity, it in no way provides relaxation of the quality and academic standards that students must meet to successfully complete their degree.

<https://www.cqu.edu.au/courses/future-students/future-study-options/high-school-to-uni-and-tafe/principals-recommendation-scheme>

UOW College Certificate III in Fitness for Year 11 & 12 students

Students will learn from industry experts using the high performance training facility located at the UOW UniActive gymnasium. Whilst this course is highly practical in nature it also aims to prepare you academically for further study.

Upon completion of the statement of attainment, you may apply to study the remaining units required to be awarded the full SIS30315 Certificate III in Fitness qualification.

As a part of this course, you will learn from experts in Strength and Conditioning, Nutrition, Exercise Physiology, Customer Service, Communication and First Aid. You will have use of the UOW's own high performance training facility, accessing the latest programming equipment and attend tutorials and workshops with local industry experts in the field of Sport and Exercise Science. This course also includes mandatory work placement with the UOW UniActive gymnasium or Innovation Gymnasium.

The UOW College eVET (Vocational Education & Training) program provides a range of course options that you can study while you are completing years 11 and 12.

<https://www.uowcollege.edu.au/study/high-school/vet-programs/>

Melbourne Institute of Technology MIT Sydney – Darling Harbour Campus

Courses offered at this campus include: [Business](#), [Accounting](#), [Cyber Security](#), [Digital Marketing](#), [Management](#), [Marketing](#), [Networking](#), [Data Analytics](#) and [English](#) Language.

MIT Sydney offers excellent teaching and learning facilities, that are modern, inviting, built for purpose and designed to be social. Students are exposed to all the benefits of the city, as the campus is surrounded by cafes, restaurants and shops. Modern computer labs and outdoor courtyard with a recreational area.

UNSW - ACT Young Women in Engineering (YoWIE) 2022 Now Open to Register

New dates for YoWIE 2022!

Our next YoWIE event will take place in the April School Holidays 2022:

Monday 11 April 2022

Tuesday 12 April 2022

Wednesday 13 April 2022

As an engineer, your world is full of opportunities. UNSW Canberra's YoWIE Program is committed to inspiring young women currently in year 9 – 12 to consider a future in engineering. This free three-day workshop aims to show you how your maths and science studies at school can help shape your future.

Register here:

<https://unswcanberra.eventsair.com/unsw-canberra-yowie-2022/eoi/Site/Register>

Full details here:

<https://www.unsw.adfa.edu.au/yowie>

UNSW Girls in Engineering Club

The UNSW Girls in Engineering Club is a fun, inspiring community for high school girls interested in a career in engineering. We provide opportunities to explore the diverse fields of engineering where you can connect and share ideas with fellow high school girls. You'll hear from inspiring role models such as UNSW Engineering students and female engineers who are already making their mark on the world.

By joining the club you will receive:

Exclusive invitations to Girls in Engineering Club events

Monthly inspo delivered to your email, featuring profiles of female engineers, study tips and more!

Opportunities to be mentored by female engineering students

Access to a closed Facebook community to connect with likeminded girls

Regular workshops and challenges

<https://www.unsw.edu.au/engineering/study/girls-engineering-club>

UNSW Girls in Engineering - Club Summer Intensive Program Competition

Applications close: Midnight 14 November 2021

For high school girls in Years 10 – 12 looking for a global engineering experience, enter the GIE Club Summer Intensive Program Competition to win a place in the program worth \$500! UNSW has 10 places to award to the best competition entries. Winners will undertake an international humanitarian engineering program. More info: <https://www.unsw.edu.au/engineering/gie-summer-intensive-competition>

UNSW GIE FEAS Program - A new alternate pathway program for girls to UNSW Engineering!

Launching in 2022 for high school girls in Year 11 and 12, the GIE FEAS Program is a new pathway program to UNSW Engineering that recognises students' engagement with the UNSW Girls in Engineering Club and passion for engineering. For more information visit:

<https://www.unsw.edu.au/engineering/gie-feas-program>

UNSW Indigenous Pre-programs and IAS applications are open

The UNSW Science and Engineering Indigenous Preparatory Program is a free online program to support Indigenous students to transition to university and to apply for alternative entry into an UNSW Science or Engineering undergraduate degree. For more information about this, and the Indigenous Admission Scheme:

<https://www.indigenous.unsw.edu.au/future-students/pathways-unsw/indigenous-pre-programs>

What is UNSW Portfolio Entry?

The deadline will be in December - the exact date will be confirmed soon.

With UNSW Portfolio Entry, your pathway into uni is unique - just like you.

UNSW Portfolio Entry includes

- Art & Design Portfolio Entry,
- Built Environment Portfolio Entry,
- Bachelor of Information Systems Admissions Scheme (BISAS) and the
- Faculty of Engineering Admissions Scheme (FEAS).

Here at UNSW, we want to reward your passion, creativity and potential to succeed in your degree area. That's why we offer UNSW Portfolio Entry, which gives you the opportunity to demonstrate your passion and talent, alongside your ATAR.

If this sounds like you, we want to see your portfolio submission. It's an easy, online process, and can only ever boost your chances of admission. What you submit in your portfolio will depend on which degree you're interested in.

Remember, your UNSW Portfolio Entry submission needs to be completed in addition to your UAC application.

Please note, individual faculties may decide to open a second round to accommodate more applications after ATARs are released. The second round will be dependent on the number of places available in the program.

Portfolio Entry gives you the opportunity to demonstrate your passion and talent, alongside your ATAR.

UNSW Portfolio Entry is one, easy online process. You'll select up to three degrees that you're interested in and be guided through what you need to submit

All domestic student high school leavers who are applying for an eligible degree, and expecting an ATAR within 10 points of the lowest selection rank for your degree (unless otherwise stated)

[https://www.unsw.edu.au/study/how-to-apply/undergraduate/admission-pathways/portfolio-entry#:~:text=FEAS%20is%20an%20alternative%20pathway,Guaranteed%20Entry%20Rank%20\(GE\).&text=FEAS%20applies%20to%20most%20UNSW,Rank%20\(GE\)%20of%2091.](https://www.unsw.edu.au/study/how-to-apply/undergraduate/admission-pathways/portfolio-entry#:~:text=FEAS%20is%20an%20alternative%20pathway,Guaranteed%20Entry%20Rank%20(GE).&text=FEAS%20applies%20to%20most%20UNSW,Rank%20(GE)%20of%2091.)

UNSW Co-Op Update News

Following the announcement of a change to the HSC schedule the Co-op Program Interview Notification, Interview Briefing and interview dates will be moved to minimise the impact on students undertaking the HSC this year. Once the confirmed HSC schedule has been announced we will update all applicants and schools directly with revised dates.

Co-op online chat is available to you and your students to quickly/easily respond to enquiries, and provide afterhours support on Tuesdays & Thursdays each week. Please don't hesitate to contact the Co-op Program team with any enquiries via the website or email us cooprog@unsw.edu.au.
