We're dreaming of our next adventure! Join us for an ONLINE information session from the comfort of your home!

We've got heaps of tips and tricks to make your dreams reality and make application stand out. Get a full rundown of what your Camp America Experience could look like. Summer 2022 is waiting for you! View all our upcoming events at below or if you have questions email - info@campamerica.com.au

<https://www.campamerica.com.au/events/camp-america-online>

Meet 10 people in the event industry

We asked 10 young people who have found a home in the exhibition and event industry to tell us about their career and what makes the industry so appealing. Through their eyes you can see why many who enter the industry never leave. It can take you all around the world, while small enough that you feel part of our family and team.

Wesley Youth and Young Adult Support

Through a range of programs we can help you:

access safe and affordable accommodation

get support for mental health, addictions, family breakdown and/or financial stress

access appropriate services and advocate on your behalf

explore options for medium and long-term housing

discuss and explore pathways to employment

develop a rental accommodation assistance plan

We operate in locations across Sydney's Inner West, as well as the Mid North Coast of New South Wales and Coffs Harbour. As well as accommodation support, Wesley Mission has a range of support services in each region to help young people facing homelessness or other hardships

Wesley Support - Mental Health Support

Emotional wellbeing is just as important as your physical health. Good mental health allows you to develop the resilience to cope with whatever life throws at you and grow into well-rounded, healthy adult.

Assistants in Nursing - Their Important and Growing Role

Anyone who relishes the idea of caring for people as a living may decide that a career in the medical world is a good choice. However, not everyone is suited to becoming a medical professional such as a doctor, nurse or physiotherapist. For people who want to help, without having one of these roles, there is the option of becoming an assistant. For instance, there are [Allied Health Courses](#) which people can take in order to qualify for a role in assistance. Allied health assistants provide assistance to health practitioners including physiotherapists, occupational therapists, podiatrists, speech pathologists and dietitians. Another option is to become an assistant in nursing.

How to Transition to Tertiary Education - Helpful Hints for People with Autism Spectrum Disorder.

Congratulations on deciding to undertake tertiary study at university or TAFE. You will encounter many changes with this transition: a new physical environment, different teaching and learning approaches, and new expectations of you as a student.

Coping with change and transition can be difficult for many people, and if you are on the Autism Spectrum you may find it particularly challenging.

The information was developed as two booklets. These booklets discuss many changes to expect, but cannot predict all possible changes you may experience. Each university or TAFE is different; each campus is different; the staff are different; the students are different; and the way you experience it may be different as well. Nevertheless, a good logical approach to planning will help you cope with the transition

The National Brilliant Business Kids Festival

15 October 2021. From 9am

This is an annual nationwide event that celebrates the innovative and creative initiatives high school students from all over Australia are creating.

In 2021, these students are tackling the disruption to “business as usual” head-on by developing solutions to challenges in their local communities and the world in ways that meet the United Nations Sustainable Development Goals.

Through a full day of masterclasses, workshops, and panel discussions, these Brilliant Business Kids are encouraged to recognise 21st century problems as entrepreneurial and innovative opportunities. Hear innovative speakers from Apple Education, Westpac Davidson Institute, Kintell, and The University of Sydney's Business School, and more!

The event also features a pitch event, in which students will pitch the business ideas they have worked on throughout the school year to the audience and select industry partners as judges.*

Beginning your journey into Entrepreneurship Education (K-12)

19 October. 4pm

Two years ago, Damien Meunier knew very little about Entrepreneurship Education and what it could look like in the K-12 space. He now leads a thriving entrepreneurship program at one of Australia's largest and most progressive independent schools. In this interactive session, Damien will share how he started on his journey to becoming an entrepreneurship educator & leader. Damien will also share his favourite resources for getting started and show how you can join the growing community of K-12 entrepreneurship educators across Australia.

2021 Teens in Business Awards x Sparkfest Final Pitch Event

20 October. 4pm

Young people across Australia who have incredibly creative ideas are developing and running amazing businesses, and creating value for their communities

A joint initiative by [Young Change Agents](#), [Tech Girls Movement](#), and [BOP Industries](#), the 2021 Teens in Business Awards is a program that acknowledges, celebrates, and amplifies the creativity, passion, and interests of young people as they try to create positive change in their communities

During this event, youth finalists will be able to pitch their business ideas to an audience and the winners of the 2021 Teens in Business Awards will be announced!

Youth Entrepreneurial Education Ecosystem in NSW

26 October 2021. 4.30pm

Enabling youth to solve society's most wicked problems has never been more vital as we rapidly adapt to the ever-changing dynamics of the physical, mental and social environments around us.

Join [Young Change Agents](#) (YCA) and [Sydney School of Entrepreneurship](#) (SSE) at this virtual round-table discussion on the state of entrepreneurial education for youth across the state of New South Wales (NSW). Throughout 2021, SSE and YCA have collected insights from a cross-section of voices within the entrepreneurial ecosystem – including youth, parents/ guardians, businesses, education bodies, Government, and community members – to amplify dialogue and collaboration around this significant topic. SSE and YCA will be sharing key insights collated through their latest white paper and invite active discussion from participants

<https://sparkfestival.co/2021-program/view/629/youth-entrepreneurial-education-ecosystem-in-nsw>

Science Extension Workshop

15 or 22 October 2021. 9am-2:30pm

Cost: free

Audience: HSC science extension students

Supervision: students must be booked and supervised by a teacher

Format: Online Zoom platform

[Register your class today](#)

Spend a day learning about the HSC science extension course exploring best scientific practice, experimental design, research techniques and reviewing statistical analysis of data.

We will focus on Modules 2 and 3 of the Science Extension course. Half the day will be spent exploring best practice experimental design and identifying potential challenges, with a view to good designs producing good analyses.

The other half of the day will be an exploration of various statistical hypothesis tests as detailed in the syllabus. This is also a chance for you and your students to meet some of our PhD student mentors. PhD candidates from across the faculty have volunteered their expertise to provide advice for your students as they undertake this exciting dive into authentic scientific research.
